with all our fights. Just stay  
as you are and you'll always

MAUD ANNUAL STAFF

MAUD HIGH SCHOOL

Maud, Oklahoma

We the "TIGER" ANNUAL STAFF would like to dedicate the 1972-73 annual to Mr. DARRELL PEARCY, coach, teacher, and friend. No other person has strengthened our football teams, brought so much spirit into our pep assemblies, nor brought more smiles to student's faces with his bright personality and natural-born good humor as Mr. Percy. He has been a tremendous help and a close friend. We will remember him long after we graduate.

Mr. PEARCY with sincere gratitude and thanks we dedicate this year to you.

I consider it an honor to have a part in the 1973 yearbook. The yearbook staff and its sponsor are to be commended. I also consider it a privilege to be associated with the fine student body here at Maud. You as students of Maud have accomplished much and have many things of which to be proud. I hope that the 1972-73 school year will always remain a pleasant memory for you in years to come.

## Mr. Shero Principal

## Mr. Dewbre Superintendent

The yearbook staff and their advisor are to be congratulated for this fine yearbook. It has been a commendable year for the students and faculty. One can turn through these pages and see reflections of many worthy accomplishments.

It gives me a great deal of satisfaction to be able to look over these accomplishments and render my note of praise. The work that has been done can be used as a stepping stone to achieve higher goals in the years to come, goals that will be even more meaningful in other areas of life.

A black and white photograph of Independence Hall in Philadelphia. The building is a large, dark brick structure with a prominent white clock tower and a dome topped with a spire. In the foreground, to the right, is a statue of a man in a top hat, standing on a large, tiered stone pedestal. The name "BARRY" is visible on the front of the pedestal. Several people are walking in the plaza in front of the building. Large trees are on the left side of the image.

Gary!  
you know it's hard  
for me to be sweet.  
Even though I say a  
lot of bad things to you,  
I really don't mean them.  
You're really beautiful,  
even your clouds & winds.  
You have given me a lot  
of good times and memories.  
I'll always remember you the  
sweetest young which I don't  
see to often. Any way I  
hope I see you after school  
out because I will miss you  
next year. I'll love you and  
all your Darkness. Be careful  
can be good.
